

HOMEWORK: WHERE IS EROSION HAPPENING THE FASTEST?

Below is a list of places in Dorset where erosion is happening quickly.

Can you put the place names in the right place on the map? Have you visited these places?

Research a news article about one of the locations on the map. How has coastal erosion changed the area?

Studland

Burton Bradstock

Durdle Door

Durlston Cliffs, Swanage

West Bay

Swanage North Cliffs
