33 The Commission's general functions.

(1) It shall be the duty of the Commission (so far as practicable) —

(a) to secure the preservation of ancient monuments and historic buildings situated in England,

...

(c) to promote the public's enjoyment of, and advance their knowledge of, ancient monuments and historic buildings situated in England and their preservation

CONSERVATION PRINCIPLES POLICIES AND GUIDANCE

FOR THE SUSTAINABLE MANAGEMENT OF THE HISTORIC ENVIRONMENT

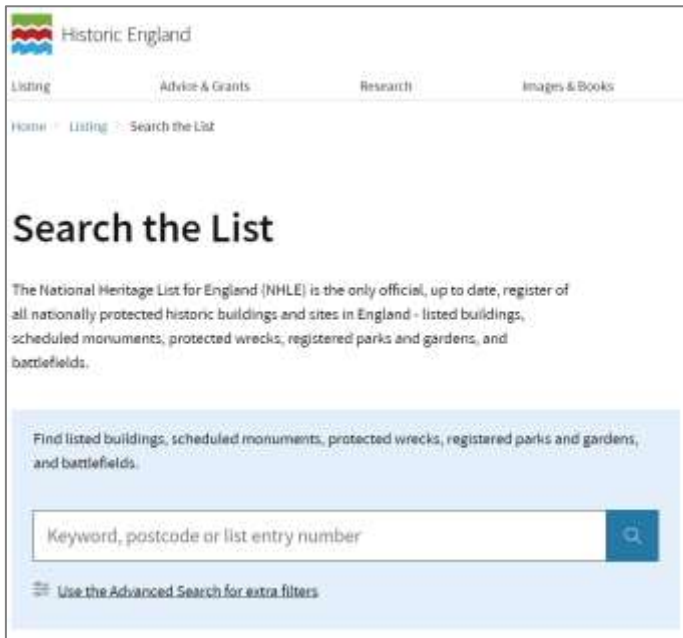

CONSERVATION PRINCIPLES

- Principle 1: The historic environment is a shared resource
- Principle 2: Everyone should be able to participate in sustaining the historic environment
- Principle 3: Understanding the significance of places is vital
- Principle 4: Significant places should be managed to sustain their values
- Principle 5: Decisions about change must be reasonable, transparent and consistent
- Principle 6: Documenting and learning from decisions is essential

Search the List

The National Heritage List for England (NHLE) is the only official, up to date, register of all nationally protected historic buildings and sites in England - listed buildings, scheduled monuments, protected wrecks, registered parks and gardens, and battlefields.

Find listed buildings, scheduled monuments, protected wrecks, registered parks and gardens, and battlefields.

 Use the Advanced Search for extra filters

Our Purpose

To improve people's lives by championing and protecting the historic environment

Our Vision

A historic environment that everyone can connect with and learn from and that we are proud to pass on to future generations.

Our Focus Areas, 2021 - 2031

THRIVING PLACES

Collaborating with people and partners to secure vibrant and sustainable futures for historic places

CONNECTED COMMUNITIES

Bringing communities together by discovering and celebrating local heritage, and by protecting the character of historic places

ACTIVE PARTICIPATION

Inspiring and equipping people to take action in support of the places they care about.

To deliver Historic England's corporate plan with respect to marine and coastal heritage.

Where marine & coastal heritage encompasses:

- Heritage in the sea
- Heritage affected by the sea*
- Heritage relating to the sea

* heritage affected by the sea includes heritage affected by environmental, economic and social processes ...
